

Yuma County HEOC/JIC COVID-19 DAILY UPDATE

3:00 PM, TUESDAY, JUNE 8, 2021

*****CURRENT SITUATIONAL REPORT*****

Yuma County Public Health District Update

Yuma County Health Officials confirm 6 new cases of COVID-19 and 0 new deaths, bringing the total cases to 37,260 and total deaths to 843. Health officials are conducting contact investigations.

The Yuma County Public Health Services District (YCPHSD) has announced they will continue offering vaccine in June:

June COVID-19 Vaccine Clinics at the Health District, 2200 W. 28th Street:

- Will be held Monday, Tuesday, Wednesday, Thursday for the entire month of June
- Clinic hours for all 4 days will be 8:30 am -11:30 am
- All 3 vaccines available, although availability may vary (Pfizer, Moderna and J&J)

NOTE: availability of specific vaccine on each day will vary. PLEASE call ahead for information about specific vaccines on specific days.

An appointment MUST BE MADE by calling 928-317-4550 or 928-317-4687. There is NO ONLINE registration for these clinics.

The Moderna vaccine and currently can be given to anyone aged 18 and over. More information can be found on the [CDC's website](https://www.cdc.gov).

A State run vaccination POD (Point of Distribution) is in operation at the Yuma Civic Center in cooperation with YRMC. The POD hours are Wednesday – Saturday 10:00 am - 6:00 pm (closed Sunday –Tuesday). **The state-supported COVID vaccine clinic at the Yuma Civic Center will close on June 26.**

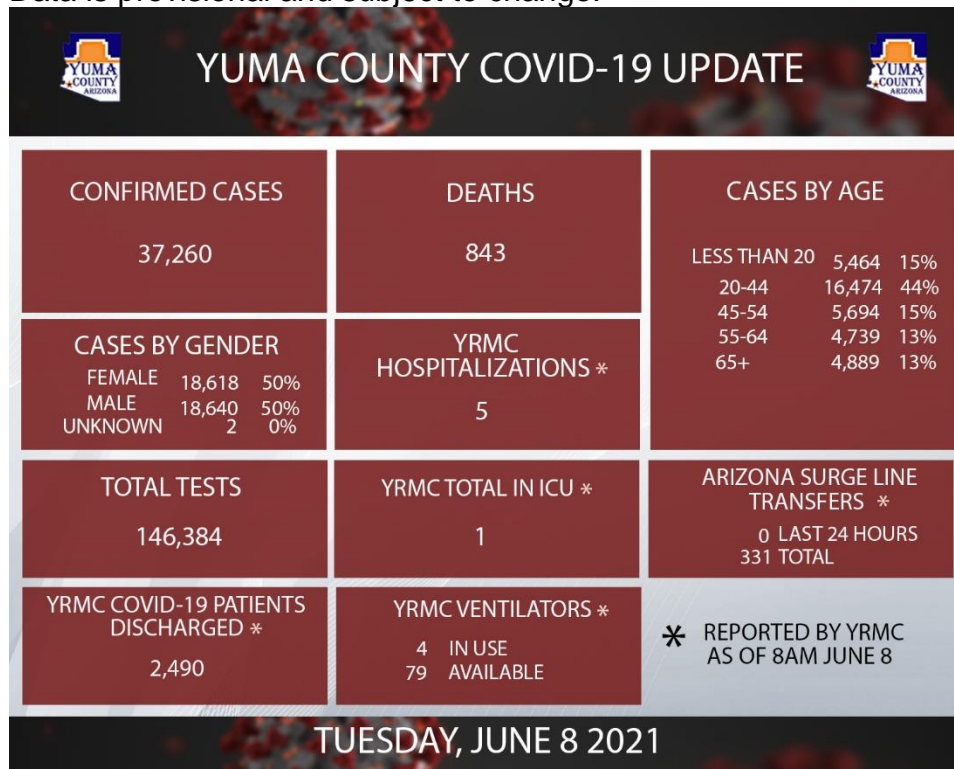

The POD carries the Pfizer vaccine which is cleared to be given to ages 16 and older. Appointments are available by visiting podvaccine.azdhs.gov or calling 1-844-542-8201. Both the online registration and phone line are available in English and Spanish.

The Yuma County Health District expects to receive additional COVID-19 vaccine this week as part of its continuing effort to work with area partners in administering vaccinations. When doses are received, they will be shared with area providers to accommodate vaccination clinics throughout the County. Please visit the [Arizona Department of Health Services – Vaccine Finder](https://www.azdhs.gov) for the most up-to-date information on where vaccine is currently available. The website is updated frequently.

NOTE: All new cases of COVID-19 will include any positive cases from Yuma County Correctional Facilities and “Testing Blitz” locations.

- Arizona currently has 884,609 confirmed cases of COVID-19, resulting in 17,713 deaths
- Yuma County currently has 37,260 confirmed cases of COVID-19, resulting in 843 deaths
- Currently 146,384 Yuma County residents have been tested
- Currently 5 Yuma County Residents are hospitalized AS OF 8 am 06/8/21; please note the hospitalization numbers offer an accurate “snapshot” at the time of our daily update, but numbers may fluctuate throughout the day

Data is provisional and subject to change:

Yuma County COVID-19 Positive Cases

NOTE: Recently the UofA Center for Excellence in Desert Agriculture received funding approval from the Yuma County Board of Supervisors for a wastewater (sewer) surveillance program. This would be used as a potential mitigation tool as part of a layered multi-faceted approach to address COVID-19. The public can learn more about this at the [CDC's National Wastewater Surveillance System web page](#).

I HAVE RECEIVED MY COVID-19 TEST, NOW WHAT DO I DO?:

When you can be around others depends on different factors for different situations. By following these steps (follow the link) you can continue to help stop the spread:

Regular-Send Out Test (PCR) FREE to you without insurance

Question of the Day: I have a severe allergy. Can I get the mRNA COVID-19 vaccine? (Source; Harvard Health Publishing)

- There have been rare cases of people having a severe allergic reaction after receiving the mRNA COVID-19 vaccine. As a result, everyone getting an mRNA vaccine in the US must be observed for at least 15 minutes after getting their shot, so they can receive immediate medical treatment if they experience a severe allergic reaction.
- Despite the small risk, most people with a history of severe allergy can safely get the mRNA COVID-19 vaccine. This includes people who are allergic to food, pollen, bee stings, and medications taken by mouth. If you have a history of severe allergy, tell the person administering your vaccine. You will be observed for at least 30 minutes, instead of the usual 15 minutes.
- If you have a history of allergic reactions to injectable medications or other vaccines, the CDC recommends asking your doctor if you should get one of the currently available mRNA vaccines.
- There are some people who should not get an mRNA COVID vaccine. You should not get one if you are allergic to any components of the mRNA vaccine, which include polyethylene glycol (PEG) and polysorbate. And you should not get

the second dose of an mRNA vaccine if you had an allergic reaction within the first 30 minutes after receiving the first vaccine dose.

- If you have questions regarding the safety of the COVID vaccine for you, your best option is to talk to your doctor.

Department of Health Services (ADHS) recent updates can be found on the COVID-19 Reporting Dashboard.

- You can access the [COVID-19 Reporting Dashboard](#)
- You can access the [COVID-19 Cases by Zip Code](#)

HOW can YOU get a flu shot in Yuma County?

The 2020-2021 Seasonal Influenza Vaccine is now available at the Health District, 2200 W. 28th Street in Yuma. Seasonal flu vaccinations are available for all individuals 6 months of age and older. The cost is \$25.00 for adults and \$10.00 for youth 18 years and younger. Medicare Part B, AHCCCS and Private Insurance are accepted upon presentation of card.

Flu vaccine is available BY APPOINTMENT ONLY. Please call: (928)317-4559

Yuma County health officials confirm “moderate spread” of COVID-19 throughout Yuma County. We encourage all residents to take the necessary precautions including physical distancing and staying home if you are sick. Remember to:

- Wash your hands often with soap and water for 20 seconds.
- Avoid touching your face, especially your eyes, nose, and mouth.
- Avoid people who are sick, and avoid groups of 10 people or more.
- Clean and disinfect frequently-touched surfaces like light switches, door knobs, electronic devices, etc.
- Stay home if you are sick so you do not expose others.
- Practice physical distancing, staying 6 feet away from others.
- Cover your mouth and nose with a cloth face cover when around others.

JOINT INFORMATION CENTER (JIC) UPDATE

NOTE, some of the below information has been updated from previous releases. Please be sure to read all segments.

YUMA COUNTY

County Administration, Human Resources and Financial Services offices at 198 S. Main Street are open to public Monday through Friday from 8:00 a.m. to 5:00 p.m.

The County Assessor, Treasurer, Recorder and Elections Services, located at 197 S. Main Street/192 Maiden Lane, are open to the public Monday through Friday from 8:00 a.m. to 5:00 p.m.

County libraries are fully open to the public with normal operating hours. Please visit the [Library's website](#) for more information on hours and available services.

CITY OF YUMA

City Hall is open. Face masks are recommended.

To honor our healthcare workers and the sacrifices they make, the City of Yuma has launched [Adopt-a-Nurse Yuma](#), an initiative to pool local resources to provide meals and other encouragement efforts for our city's healthcare workers. Yumans can participate by making a donation, or dropping off a thank-you, Christmas or holiday card. Residents can also simply reach out to an acquaintance in the healthcare field to thank them for the work they are doing on behalf of our entire region. Individuals, businesses, and community organizations interested in supporting the initiative are encouraged to contact Arlyn Galaviz at arlyn.galaviz@yumaaz.gov.

Marine Corps Air Station - Yuma

The Trusted Traveler Program has been reinstated. Visitors without a CAC or DOD identification will be allowed to enter with a sponsor. Visitors will be required to provide justification for needing access to the installation and granted access to the base with someone who has a CAC or DOD identification card who will be sponsoring/escorting them aboard the base.

Under the program, sponsors and/or guests may be subject to a background check.

Safety measures are still required, if you are not vaccinated.

YUMA PROVING GROUND

Although certain access restrictions directed by the Department of the Army are in place, Yuma Proving Ground's essential test mission in support of Army modernization priorities continues. Access to Yuma Proving Ground is currently restricted to the following:

- * YPG residents, including Travel Camp residents
- * YPG employees
- * Civilian contractors who work at YPG
- * Other personnel who come to YPG for an authorized purpose (including personnel on official orders to YPG, DoD retirees/ID card holders, and delivery drivers)

PUBLIC is urged to follow on [FACEBOOK](#) & [TWITTER](#) as well as sign up for [Yuma County eNOTIFICATIONS](#)
